

Empower the Future

SOCCER UPDATE

The next soccer game will be held Wednesday, February 8th. This game will include combined teams of both Rosemary and Castlemont students. This is a great opportunity for our students to meet new friends, and learn the true meaning of teamwork.

Feelin' FEBRUARY

Now that February is here, our students are back into their school routines. Our "Kid Interests" enrichment session was thoroughly enjoyed by every single All Star student, and we can't wait to take our students on four *WILD* adventures during our February enrichment session. Our February theme is accordingly titled "Oh, the Places You'll Go!"

In other news, our Feelin' Good Fitness Fridays are officially running! Students have been placed in four "aquatic" teams; the Sharks, Killer Whales, Stingrays, and Barracudas.

Every Friday, teams will compete in an individual group activity, team competition, and nutrition activity. They will have an opportunity to accrue points in every activity. The team with the most points after 8 weeks will win a fun, nutritious party! Yum!
