Youth Leader – Mr. Omar Reynoso

We have a strong team this year that will bring many exciting changes to Fischer. Our youth leaders have many strong qualities that will make the students come back for more. Ms. Wallace will be the sports and fitness coordinator. She will be in charge of all our sports leagues and making sure our students exercise and stay healthy. Mr. Reynoso is new to All-Stars. He is a great soccer coach and loves to make students laugh. Our top priority here at Fischer is academics, we want all our students to succeed and achieve in all their subjects. We will accomplish this with the help of staff, teachers, administrators and parents.

Hi my name is Ms. Walker. I've been working for Bay Area After School All Stars for five years. I graduated from West Valley College in the summer and plan on attending Cal State East Bay in the fall. In my spare time I love spending time with friends and family doing outdoor activities and watching movies. Shopping and traveling the globe are some of my favorite past times too!

Hello Fischer! My name is Ms. Vega. I've been working for All-Stars for 4 years and this is my 2<sup>nd</sup> year at Fischer. I graduated from The National Hispanic University with a B.S in Computer Science. I would like to return to school and attend courses in Graphic Design. I enjoy creating scrapbooks, getting messy with paper Mache and paint. In my spare time I love to dance cumbia, salsa, and banda. I look forward to working with my new staff and having a blast with my students.
