All-[☆] Stars Student of the Month

My best quality is my Smile.
In my spare time I like to play with my friends.
My happiest memory is when I went to Great America for the first time when I was younger.
I get scared when I watch scary movies.
My favorite food is Chicken Alfredo.
My least favorite food is Soup made with Vegetable.
My favorite sport is basketball because it's easier to play.
I would like to be better at baseball/softball.
I usually pick friends who are nice & kind.

Ocala Sports

In this last month of October we had our Basketball Season and our boys and girls team did a great job in participating and trying their hardest to win games. Unfortunately the boys and the girls both finished with a record of 1 win and 3 losses. Now that the basketball chapter of our sports has ended we begin a new chapter with our Junior Giants Softball Season on November 8th 2011 and will go all the way through December 10th 2011. We will begin to recruit and form our teams a week maybe two weeks before the season begins so that we can get a jumpstart on working on our athletes techniques.

Lights On!

Last month three Bay Area After-School All-Stars sites (Ocala, Renaissance, & Fisher) got together over at Hill View Park on October 22nd to celebrate the nationwide "Lights On" Event to call attention to the importance of afterschool programs for America's Children, families, & communities.
