

Welcome back to After-School All-Stars at Ocala!

We are so happy to begin this year with a positive attitude. We are glad to have our returning students back as well as our new students this year. Ocala All-Stars is also proud to announce a new program we will be having this year. It is called Techbridge, and they will be focusing on getting more girls into technology. As always we will be having sports, Entourage, Learning Lounge, enrichments, and Health and Fitness. We have room to enroll 40 more students.
