EMPOWER  
THE FUTURE

# March 2010

These past couple of months have been fun and exciting! Students got to meet a new staff member, Ms. Camberos! She is a great addition to the All-Stars family and we're thankful for all her help and sad to see her go! Good Luck at Boeger! Ms. Walker is back and ready to take over for Ms. Camberos! Thank You to the students for their understanding and great behavior!

**Sports Focus:**  
Basketball is the next sport coming up this year, so students get ready to have fun and work hard this season!

## Upcoming Events
