**Ghouls and goblins, creatures of the night,
rise from the dead and give us a fright!!**

October is filled with many great opportunities for our ASAS parents to get involved with their child and ASAS program. Parent Leadership Committee (PLC) will be an informative meeting to explain how you can get involved.

Lights On After School event (held on 10/20/11) is to promote positive awareness to our community and to show the value of after school program has on our youth today. Please join us on this special day and show your support.

Session 1 enrichment classes will soon be over. Thursday, October 27th we will be having our Session 1 Culminating event. Students will be showcasing what they have learned during their enrichment classes to their fellow peers, teachers, and parents.

Showcase of the new enrichment classes for session 2 will be held from October 24th, 25th and 26th. But the day you most definitely shouldn't miss out on is October 28th because this is the day you will be signing up for your enrichment classes.

Halloween lands on a Monday this year but no need for sad faces. Best way to end the month of October and start the week is to have a Happy Halloween party filled with fun activities, food and music. Wear your costume and prepare to scream!!

Trick-or-Treat Safety Tips:

- LOOK BOTH WAYS BEFORE CROSSING THE STREET.
- NEVER TRICK-OR-TREAT ALONE, BRING A RESPONSIBLE ADULT FOR SUPERVISION
- BRING A FLASHLIGHT TO LIGHT UP DARK AREAS
- WALK ON THE SIDEWALKS AND NOT ON THE STREET
- BE POLITE AND SAY, "THANK YOU!" (WITH A SMILE)
- BEFORE CONSUMING ANY CANDY MAKE SURE AND CHECK:
 - WRAPPER HASN'T BEEN TAMPERED WITH OR OPEN
 - CAREFULLY INSPECT CANDY FOR ANY ABNORMALITY
 - EXPIRATION DATE, IT DOESN'T LOOK SO FRESH
 - TAKE A SMALL BITE TO SAMPLE TASTE BEFORE CONSUMING THE WHOLE CANDY
