Winter is finally here! And so are the last two weeks of program before Christmas break. We ended the month of November with a fun-tastic culminating event, that featured performances, student films, and freaky science experiments for both parents and students to enjoy. For the next two weeks, we will be very busy planning, creating, and practicing for our performance on December 14th! The Campbell Union School District has chosen to collaborate with After-School All-Stars, and the performance will be a combined effort of both, showcasing the immense talent of our students at Rosemary School. We look forward to seeing you and your family attend this event, and wish you all the best over the holidays, and have a HAPPY NEW YEAR!
