

Empower the Future

GOOO

ROSEMARY

Congrats to the soccer team for a job well done at their game VS Castlemont!

Rosemary and Castlemont students played exceptionally well and showed great sportsmanship!

Good job!

JUMP Into January

Welcome back parents and students! I hope everyone had a fun-filled holiday break, full of good times and family cheer. January is going to be an exciting month at All-Stars; our enrichment session is based on **KID**

interests! From Angry Birds, to Cake Boss baking, these classes are sure to be a hit!

Our next field trip to the Tech Museum is January 4th, 2012. Mark your calendars! Once again, our students will be awarded the opportunity to explore the Tech museum and all of it's wonders. This month, we will also begin our Fitness Fridays. Health and Fitness is one of our main components at All-Stars, and we are dedicated to keeping our students on the right path physically, and nutritionally.

Meet Mr. R!
