

October is here, and brings with it new and exciting enrichments which are all based around our October theme: Media. Students will visit classes based on photography, news and sports reporting, acting and set design, and service learning through recyclable art. All of the finished products will be featured at our culminating event, alongside a SPOOKY hallway attraction.

SOCCER

Fall ball is here! If you would like to play, please see Ms. Monica for a list of requirements.
