Happy New Year & Welcome Back!

All of the staff here at Sherman Oaks After-School All-Stars are glad that you had a fun and safe holiday vacation! We would also like to especially welcome back from our own staff, Miss Romero, from her visit to Mexico. We hope you enjoyed our Culminating Event before the break- both the students and the staff worked very hard on their performances. Also, a *big* thanks to all of the parents who helped out!

To start our new year, we will be waving good-bye to our former College Day Colleges. Say adios to our local San Jose State University, Santa Clara University, and University of California, Berkley- and also wave farewell to our not-so-local MIT! Although many of the staff had personal ties to their Learning Lounge's specific school- i.e. Mr. Garcia attends SJSU, Miss Romero plans to transfer to UC Berkley, and Mrs. Sheridan aspires to go to SCU (and lives in Santa Clara near it)- the students and staff alike will be venturing to the territories of new Universities!

We are all looking forward to an exciting second half, only two quarters left, it's 2010, put your hands in: "Sherman Oaks After-School All-Stars, Lets Go BMS!"

Extra, Extra All-Stars Sports!

First was soccer with Mr. Magaji; then came football with Mr. Garcia and somewhere amidst those two was (and still is) cheer with Mrs. Sheridan. Now this year, Sherman Oaks After-School All-Stars will be introducing ... Basketball! Teams are scheduled to start forming January 11th; but stay tuned for more details as they develop!

- Tech Challenge officially starts & will have its big day in mid-March.
- All students will continue to explore the Tech Museum every other month; involved parent volunteers are always welcome!
