

October 2011...

I Now that the dust has settled we can now say, as a group, that we are in full swing! Basketball season is among us with Miss Gonzales taking the reins. The students are rallying around her nicely during practice and she is very excited.

- All-Star Spa has caught many peoples eye as a fresh enrichment idea. This is a place where our students are able to learn how to paint nails, do hair, and even give pedicure's! The students involved are enjoying it a great deal.
- A shout out to the parents who have been doing a wonderful job being on time for sign-out. Your effort's don't go unnoticed!

- Come out and support us during Lights On along with our first Culminating Event! We will be having live entertainment at both so don't miss out.

Snaps

***Completed basketball try-**

***Cool nails getting done in "All-Star Spa"**

***Parents have been GREAT during sign-out.**
