EMPOWER
THE FUTURE™

ENTOURAGE

The Entourage students have been a wonderful attribute to our after-school program; planning events, hosting our carnival, and running our raffles. But beginning in January, Entourage will be broadening their learning by focusing on Martin Luther King Jr. in January; we also plan to visit the MLK library, to get an understanding about social injustices. The New Year will also bring the return of The Snack Shack!!

Los estudiantes de Entourage estaban ayudado en planiando los eventos del la programa: las rifas, fiestas, y camavales. Comenzando de enero, los estudiantes se van a concentrar en aprendiendo el mensaje de Martin Luther King Jr. Estamos planiando de cebar los estudiantes a la biblioteca de Martin Luther king para que los estudiantes aprendan de las injusticias sociales.

Cada clase se va a consentrar en aprender como cada cultura celebra Navidad. Por favor acompanenos y escuche los que los estudiantes aprendieron de diferentes culturas. Este evento se cebara el 15 de diciembre a las 5:15pm-6:15 pm.

Lights On!

This month we plan to ALL walk downtown to Christmas in the Park, on Tuesday, Dec. 13th. We will leave Gardner at 12:50pm and arrive back around 4:30pm. We are currently looking for parent volunteers to walk with us!!
