ANNUAL THANKSGIVING CELEBRATION

On November 22, 2011 The Grant All-Stars in conjunction with Grant PTA, San Jose Rotary of North San Jose and Grant Academy parents, had our annual Thanks giving dinner for the Grant Community. Over 350 families attended and were treated to a complete turkey dinner and special performances by The Grant All-Star students. Many parents and volunteers came out to help out and make this event once again a great success. A special treat was provided by the All-Star Staff as they performed as special dance for the families. All the turkeys were donated by San Jose Rotary club and C.B Hannegans cooked the turkeys for us.
