LIGHTS ON AFTER-SCHOOL

On October 20, 2011 The Grant AllStars celebrated Lights on afterschool. We had an assembly where we talked about why afterschool programs are important. The special speakers included The principal 3 parents and 4 Allstar students. Many parents came out to support our assembly which was followed by a school wide and neighborhood clean up at Backesto park. Students were treated to ice cream at the end of the event.

COORDINATOR S CORNER

For the month of November our enrichments will focus on native American life style and thanksgiving Day celebration. Students will get the opportunity to learn about the different native American tribes, make special crafts and and learn about the true meaning of Thanksgiving day. We will be celebrating our annual Thanksgiving Dinner celebration. All families are invited to come out and enjoy this Grant community event. On 10-20-11 @6pm Come early to get a seat.

TUESDAY TIVITZ

In October all Grant All-star students were introduced to the Math Tivitz game board. Every Tuesday from 1:00-2pm students play the tivits board game and practice critical thinking skills math, and strategies. In January 2012, we will be holding a Math Tivits tournament for grade levels 2nd -5th grade.
