**Happy New Years to All**

With the excitement and anticipation of a new year, 2012 appears to be full of promises. This is a special time of year for families and friends sharing the holidays. During the business of it all, it is important to slow down and take time to reflect on 2011. Here at All-Stars, we are very fortunate to be around such loving and generous people that made to 2011 a year to remember.

**Let's reflect ...**Last month there were so many opportunities to feel fortunate. I truly enjoyed the performances put on by Mr.Peets class; definitely enlighten us with their many talents. The enjoyment that our All Star students had when they had the opportunity to pick any gift that After-School All-Star Santa dropped off for them. Being right in the middle of a very busy season of life myself, I consistently remind myself to take time to slow down and enjoy all the amazing experiences of being with children. Many days myself and the staff can be overwhelmed by the tasks ahead and the unfinished items on our personal 'to do' list.

**Enrichment creativity**

Each month ASAS staff wants a new challenge. With that challenge, comes hard work and commitment. This month I challenged the leaders to take a historical event and bring it back to 2012. Feel free to challenge your students to see what they learned.

**Mr. CJ Message...**

Again, as we begin the New Year, take some time and enjoy every moment with your children. Thanks to all students, staff, and parents that make After-School All-Stars a remarkable school.
