

Sign Out Reminders

- Students should not be signed out prior to 6pm unless Ms. Flores has been notified ahead of time regarding an Early Release need.
- If you sign your student out before 6pm, they **must** have an Early Release code in the box next to time out.
- Please use only black or blue pens to sign a student out
- If you have ongoing parallel programs that your child attends please bring a copy of the schedule for the student's file.

Funding for our program is dependent on student attendance. If a student has 3 or more unexcused absences/early releases their spot in the program may be in jeopardy.
