The 2011-2012 Staff would like to introduce them selves to you...

Hello Rams families, my name is Amanda Rojas and I am very excited to be your new Site Supervisor for the 2011-2012 academic year. This is my 7th school year with After-School All-Stars and I am looking forward to all the memories and fun events to come. I graduated in 2009 from Santa Clara University with a Bachelor of Science in Sociology with a minor in Spanish. On my spare time I like to do boxing, bikram yoga, cooking, and spend time with my 7th grade brother .

My name is Carmen Talavera and I'm 21 years old. This is my 4th year working for All-Stars. I attend SJSU and my major is Justice Studies with a minor in Mexican American Studies. This year I am also doing an internship with the FLY (Fresh Lifelines for Youth) program. I have a baby girl named Soraya who will be one in March. I love to cook, travel, read, and do arts & crafts. Food Network is my favorite channel. I look forward to having a great year with you all!

My name is Emmanuel Mendoza. We are very excited to have him as a part of our team, He has worked for All-Stars in the past for 6 years. took a break last year in order to focus all his attention on his senior year at Santa Clara University. He obtained a Bachelor of Science in Structural Engineering in 2010 and enjoys drawing, photography, and biking on his spare time.

My name is Aaron Komisarek, I'm from San Mateo. I am currently attending Foothill College, trying to get into their radiology program. I went to St. Francis High School in Mountain View and played football, basketball, and baseball throughout my four years there. I have been working at After School All Stars for 2 years, this will be my third year. I really enjoy working and having fun with the kids and being a role model for them as well. I am really looking forward to the upcoming school year!

My name is Justin Easterday. I've worked with All-Stars for four years, and with students as young as five and as old as fourteen for over a decade. I enjoy science and problem-solving, and computer related activities. I love reading, and in my free time I play chess and write short stories
