- October 28th - Trick or Treat Carnival - 4:30-5:45
- October 31st - Happy Halloween - Have a safe and fun night!

Monthly Happenings

This month's enrichments will be centered on movies; discovering their teachings, examining the differences between animations, discussing fairytales, and learning what takes to make movies. To wrap up the second enrichment session our culminating event will be family movie night entitled *Feature Presentation*; we hope many of our parents will be in attendance.

Also this month we are looking to implement our teacher liaison who will work side by side with us, we are looking for recommendations and support from teachers to help find the right candidate.

October is also the month of our annual Lights On event. Lights on is a day that is celebrated to shine lights on after school programs so that communities become aware and know that the support is there for the children in the communities.

On Friday October 28th we will be having a carnival for our students in program. We ask parents if they are able to, we are looking for some donations: healthy snacks, prizes, apples, Oreos, face paint, and any carnival games (pin the tail on the donkey, ring toss, etc.)

Lastly, for our Lights One event we will be hosting a kickball tournament parents and staff versus the students and a potluck dinner following; we are asking for parents to bring a dish to share volunteer to play in the tournament and give a speech during the potluck. Come out and enjoy the fun!
