**Jeeper ....Creepers ...**

Hey all, im so excited that we made it to October with as much success that we have had. The only way to continue success is to empower our students and motivate them to be better each day. As we all know, Halloween is approcaching very fast, and I hope to pick up where we left off last year. Our haunted house was a success, thanks to everybody who contribute to make it spokey as possible. Guess what, we decided to do it again, and this year we are getting started earlier. To see how you can help, please talk to our president of our Parent Leadership Committee, Melissa Roxas. Please look for posters, flyers, and anything to see how you can contribute to make this haunted house into our first fundriaser of the year!

**Parent Leadership Committee**

PLC is off to a great start. Melissa is cultivating our parents, and making sure everybody is able to play a role in the impact that we have on our students today. If you missed our last meeting, and you would like to make a difference in our program, please contact Melissa, or talk to Mr. Cj.

**Reminders:**

- October 11, last day for donations of any kind.
- Need supplies for Haunted house.
- Please talk to me to see how to validate your 10 volunteer hours.
